

Thomas and Uber Cup Finals 2020

World Team Championships

October 3rd - 11th in Aarhus Denmark

Memories that last

Best of both worlds

More than one billion TV viewers worldwide will watch the biggest sporting event held in Denmark this year.

You now have a unique and once-in-a-lifetime opportunity to experience the action first hand from exclusive courtside seats while enjoying exquisite cuisine and a selected wine menu from the Michelin Gourmet restaurant Ghrelin.

We successfully introduced this concept during the World Badminton Championships in Denmark back in 2014. We are now repeating the success and combining a world-class badminton event with full first-class treatment and a unique gourmet dining experience for yourself and your five guests.

You and your five guests will be welcomed with champagne and hors d'oeuvres in our first-class area where you will get an opportunity to mingle with some of our former and present world-class players.

Here you will be given a personalised introduction to upcoming matches in the evening and a special insight into the experience of watching badminton at the highest level and the magic of team badminton from courtside seats.

Join us for an eventful experience

Welcome to Ghrelin

Just feel the appetite. An appetite for more of what is great. An appetite for delightful aromas and flavours. An appetite for beautiful surroundings and a beautifully-composed plate. An appetite for intimacy and good company. An appetite for exquisite dining and wine with an emphasis on simplicity, top-quality ingredients and taste. An appetite for a gastronomic journey that will pamper all your senses.

We will give you an unforgettable experience. Exquisite dining and wine served in an astonishing setting. Hosting has its obligations and here the difference is in the details.

Welcome to a sublime gastronomic experience.
